

FRANCES CLARKE THE NEW CHOICE FOR TATTENHAMS

YOUR PRIORITIES ARE MY PRIORITIES

Tattenhams is a lovely place to live. I don't just want to help keep it that way but want to make it even better. How?

- ▶ **Crime:** Whilst relatively low in crime and anti social behaviour, we need to ensure that the resources of Surrey Police and the efforts of the wider East Surrey Community Safety Partnership are fairly seen in Tattenhams.
- ▶ **Greenbelt:** We need to protect our Green Belt but also have an eye to affordability so our children can afford to live here too. We need to ensure infrastructure keeps up with the increase in homes.
- ▶ **Street Scene:** Recycling points need to be effectively screened for the benefit of those living nearby; if we have parking restrictions they need to be enforced. We need to encourage considerate parking that doesn't 'tear up' our grass verges or block drives. We need to minimise littering through well placed bins and litter picks. Caring for our local environment makes Tattenhams better but is good for the environment too.
- ▶ **Your Voice:** By being an effective voice for local residents' concerns on wider issues that impact on our area, such as the bus and train services.

With my background, I can do this for you.

ABOUT FRANCES

"I have been a local resident since the early 1990s. I've brought up two children, both born at Epsom Hospital.

I've recently retired from the Police Service as a Detective Superintendent after 31 years and want to make good use of the knowledge, skills and experience I've gained. Public service is 'in my blood'.

During my time in the police, I've learnt to listen well and help people from all backgrounds, without fear or favour. I've

??????

have a successful record in reducing crime and antisocial behaviour, by working together with residents, communities and other public bodies.

If elected I would work for all the people of Tattenhams together with the other public bodies & Councillors alike."
